

Model: SB4

# Roll-InBuddy Heavy Duty

The Roll-InBuddy Heavy Duty is an ergonomic shower commode chair used in roll-in showers and toileting. The Heavy Duty model is height adjustable to fit taller patients. Roll-InBuddy Heavy duty features all the same corrosion resistant and safety functions that are standard in all showerbuddy products. This chair is ideal in commercial situations such as nursing and board and care facilities. It is capable of rolling over ADA approved toilets.

## Additional product features include:

- 440 lb. weight capacity
- 5" Locking castors
- Removable / adjustable footrests
- Adjustable neck rest
- Commode system
- Foldaway / removable arms
- Chest / lap belts
- Rolls over standard / elongated and ADA approved toilets
- Height adjustable from 21" to 24"
- Tool-less assembly
